WORK EXPERIENCE

Technical Designer, Surface Designer

Daisy, Los Angeles, CA

March 2021- current

I work with the founder to design patterns that align with her vision for each collar. I also create the tech packs and flats to be sent to factories.

Apparel Design Intern

Dicks Sporting Goods, Pittsburg, PA

June 2021-August 2021

Atelier Intern

Marchesa, New York, NY

June 2019- September 2019

I assisted in the day to day activities in the atelier including sourcing materials, hand-stitching embellishments for VIP clients, and copying patterns.

Server, Sushi Roller

January 2019- May 2021

The Vault Kitchen and Market

My co-workers and I work together to create the best customer service experience possible to our customers.

Cabin Counselor

YMCA Camp Carson, Princeton, IN

Summer of 2016, 2017, 2018

I ran a cabin consisting of 11 to 15 campers with a co-counselor for an overnight camp. I also ran several waterfront activities and lifeguarded.
