Experience

Urban Outfitters

Associate Designer, Trend Woven tops

Assistant Designer, Trend Knit & Woven Tops

November 2023–Present

-Working to execute seasonal collections by mocking, sketching, and ai'ing designs. Collaborating across cross-functional teams to facilitate design developments. Owning and maintaining styles from ideation to production. Developing artworks and wash pages. Mentoring yearly interns.

Dicks Sporting Goods: DSG Girls, Walter Hagen, VRST Golf

Assistant Designer

June 2022–September 2023

-Worked to execute seasonal collections by creating Illustrator flats, developing technical spec sheets, and managing tech packs in PLM. Communicated with overseas factories to relay design updates and develop custom trims.

Daisy by Shelby

Technical Designer, Surface Designer

March 2021–2023

- Managed the end-to-end design and technical development of a dog collar collection for an influencer-owned start-up. Key contributions included designing surface patterns and drafting detailed tech packs.

Calia, Dicks Sporting Goods

Apparel Design Intern

June 2021–August 2021

- Assisted the design team creating flats and updating PLM while learning the role of a designer in a corporate environment

Marchesa

Atelier Intern

June 2019– September 2019

- Assisted in the day-to-day activities in the atelier, including sourcing materials, hand-stitching embellishments for VIP clients, and copying patterns.
